

July 23, 2015

Ex Parte

Ms. Marlene H. Dortch, Secretary
Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

*Re: Terrestrial Use of the 2473-2495 MHz Band for Low-Power Mobile Broadband
Networks; Amendments to Rules for the Ancillary Terrestrial Component of Mobile
Satellite Service Systems, IB Docket No. 13-213, RM-11685*

Dear Ms. Dortch,

On July 22, 2015, Michael Warnecke of the Entertainment Software Association (“ESA”), Cory Fox of ESA, Kevin Chung of Sony Computer Entertainment America, and I met with Jessica Almond, Legal Advisor to Chairman Wheeler; Brendan Carr, Legal Advisor to Commissioner Pai; Valery Galasso and Johanna Thomas, Legal Advisors to Commissioner Rosenworcel; Erin McGrath, Legal Advisor to Commissioner O’Rielly; and David Strickland, Acting Legal Advisor to Commissioner Clyburn. In each of these meetings, we discussed the contents of ESA’s April 20, 2015, letter in the above referenced-proceedings, as well as the potential negative impact of Globalstar’s proposed use of the 2.4 GHz band on users of game consoles.

Pursuant to the FCC’s rules, I have filed a copy of this notice electronically in the above-referenced proceedings. If you require any additional information please contact the undersigned.

Sincerely,

Paul Margie
Counsel to ESA
